THE WOOSTER FIGHT SONG

**The Wooster Colts Will Ride the Side of Victory,
We'll Back Them Up With Spirit
That Is Hard to Beat,
Our Men Will Fight
For The Scarlet and White,
And We'll Go Far Because We Are
The C-O-L-T-S
The Wooster Colts!**

THE CODE OF THE COLTS

**If you think you're beaten; you are.
If you think you dare not; you don't,
If you like to win, but think you can't,
It's almost a cinch you won't!**

**If you think you'll lose; you've lost.
For out in the world we find,
Success begins with a fellow's will,
It's all in the state of mind.**

**If you think you're outclassed; you are.
You've got to think high to rise.
You've got to be sure of yourself,
Before you can ever win a prize.**

**Life's battle doesn't always go
To the stronger faster man.
But sooner or later the man who wins,
Is the man who thinks he can!**

ACADEMIC HONESTY

In accordance with state law, the Nevada Department of Education has prescribed an educational involvement accord to be used by all public schools in Nevada. The WCSD is required to distribute this policy to all Washoe County public school students in order to make students and families aware of Nevada's policy regarding academic honesty and integrity. The Nevada Department of Education's "Code of Honor" policy defines cheating on examinations and coursework.

With the addition of the Code of Honor policy, it is important to communicate expectations for our students, parents/guardians and District staff. Likewise, it is equally important to keep in mind age-appropriate expectations relating to this policy. As educators and parents, we will work together to introduce and promote good work habits in all of our students, including our youngest. If you have any questions please do not hesitate to contact your child's teacher or any of the Wooster High School staff.

As an IB school, there is a clear expectation that all students will perform academic tasks with honor and integrity, with the support of parents, staff, faculty, administration, and the community. The learning process requires students to think, process, organize, and create their own ideas. Throughout this process, students gain knowledge, self-respect and ownership in the work that they do. These qualities provide a solid foundation for life skills, impacting people positively throughout their lives. Cheating and plagiarism violate the fundamental learning process and compromise personal integrity and one's honor. Students demonstrate academic honesty and integrity by not cheating, plagiarizing or using information unethically in any way.

See Wooster's IB Academic Policy on www.woostercolts.com

WHAT IS CHEATING?

Cheating or academic dishonesty can take many forms, but always involves the improper taking of information from and/or giving of information to another student, individual, or other source. Examples of cheating can include, but are not limited to:

- Taking or copying answers on an examination or any other assignment from another student or other source;
- Giving answers on an examination or any other assignment to another student;
- Copying assignments that are turned in as original work;
- Collaborating on exams, assignments, papers, and/or projects without specific teacher permission;
- Allowing others to do the research or writing for an assigned paper;
- Using unauthorized electronic devices; and
- Falsifying data/lab results, including changing grades electronically.

WHAT IS PLAGIARISM?

Plagiarism is a common form of cheating or academic dishonesty in the school setting. It is representing another person's work or ideas as your own without giving credit to the proper source and submitting it for any purpose. Examples of plagiarism can include, but are not limited to:

- * Submitting someone else's work, such as published sources in part or whole, as your own without giving credit to the source;
- * Turning in purchased papers or papers from the Internet written by someone else;
- * Representing another person's artistic or scholarly works such as musical compositions, computer programs, photographs, drawings, or paintings as your own; and
- * Helping others plagiarize by giving them your work.

All stakeholders have a responsibility in maintaining academic honesty. Educators must provide the tools and teach the concepts that afford students the knowledge to understand the characteristics of cheating and plagiarism. Parents must support their students in making good decisions relative to completing coursework assignments and taking exams. Students must produce work that is theirs alone, recognizing the importance of thinking for themselves and learning independently, when that is the nature of the assignment. Adhering to the Code of Honor for the purposes of academic honesty promotes an essential skill that goes beyond the school environment. Honesty and integrity are useful and valuable traits impacting one's life.

Questions or concerns regarding the consequences associated with a violation of the Code of Honor may be directed to your child's school administration and/or the District.

ACADEMIC LETTERS

Wooster High School awards an Academic Certificate to students who maintain a 3.75 GPA through the Spring Semester of their Freshman Year (un-weighted). Academic Letters are awarded to Sophomores who complete their MYP Personal Project with a score of 16 out of 32 on the four combined rubrics and those students who maintain a 3.75 GPA for two consecutive semesters at Earl Wooster High school. Students who maintain a 3.75 (weighted or un-weighted) GPA for two consecutive semesters thereafter are awarded a pin.

ACADEMIC WARNINGS

When a student is in danger of failing a class (earning a grade of C or less), an academic warning will be prepared by the teacher, indicating the reason for the poor performance. Academic warnings are prepared at the end of the fourth week of the grading period and mailed home by the WCSD. Dates of those mailings are posted in the first few pages of this handbook.

ACCIDENTS / EMERGENCIES

School administrators or school police may handle accidents and emergencies. Students are required to immediately notify school staff of an emergency or accident that has taken place on campus. Any vehicle accident must be reported to school police. Students needing medical attention should notify the nearest staff member or send another student to seek help. Students should not leave school without permission and should report to the nurse's office whether ill or injured. The parent, guardian, or other responsible adult will be notified to take responsibility for the ill or injured student leaving school.

ADVERTISING

Students/clubs/organizations wishing to display posters, place announcements on bulletin boards, or engage in any other form of advertising in or about the school, must secure the approval of Assistant Principal in charge of Activities. Items will be stamped for approval and posting on each of the hallway bulletin boards. Permission will be denied for the following items: (1) Advertising for outside events which are similar to an event on campus the same night. (2) Notices of commercial venture for profit. Notices are NOT to be placed on hallway walls, windows, etc.; they may be placed only on designated bulletin boards in the hallways.

ALCOHOL, DRUGS & TOBACCO POLICY

Possession and/or use of alcohol, drugs, and/or tobacco is strictly prohibited on school grounds, within line of sight of the Wooster campus, at school sponsored activities, or while riding WCSD transportation. Athletes who violate this policy will also be reported to the NIAA. Any student determined to be in possession of, under the influence of, or using any of the following substances is in direct violation and will receive consequences.

- Tobacco (smoking, chewing tobacco, snuff, pipes, e-cigarettes, etc.)
- Alcohol beverages
- Prescription drugs
- Controlled substances
- Illegal substances
- Narcotics

Additionally, students may not have over-the-counter and/or prescription medications on them at any time. Parents/Legal Guardians must contact the school nurse if medications need to be monitored and given to their child during the school day.

AMERICANS w/DISABILITIES ACT (ADA) / INDIVIDUALS w/DISABILITIES EDUCATION ACT (IDEA)

It is the intent of the Washoe County School District to ensure that students who are disabled within the definition of Section 504 of the Rehabilitation Act of 1973 are identified, evaluated, and provided with appropriate educational services. Students may be disabled under this policy even though they are not eligible for services pursuant to the Individuals with Disabilities Education Act (IDEA). Section 504 of the Rehabilitation Act of 1973 is a Civil Rights law which protects the rights of individuals with disabilities in programs and activities that receive federal financial assistance from the U.S. Department of Education.

A child is a “qualified disabled person” under Section 504 if he or she (1) has a physical or mental impairment that substantially limits one or more major life activities (such as caring of one’s self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working), has a record of such an impairment, or is regarded as having such an impairment; and (2) is between the ages of 3 to 21 years old. For more information contact the principal or the Section 504 Coordinator at the district office.

ANNOUNCEMENTS

All requests for announcements must be dated and signed by the teacher or advisor and submitted to the Athletic/Activity’s secretary no later than 1:00 p.m. the day before. Student announcements are read during each first period. Copies of the announcements will be posted in the Main Office and placed on the bulletin board in each classroom.

ASSEMBLIES

Assemblies are held in the large gym unless otherwise noted. Students report to their class for attendance, then go to the assembly with their teacher, where they will sit with their class. Backpacks and all personal items must be left in the classroom. We expect Wooster students to show respect and follow the directions of staff members. At the end of the assembly, staff will dismiss the students back to class.

ATHLETIC FEES

Students who participate in athletics are required to pay \$75 a year in fees. Fees include: non-refundable \$25 for the student activity sticker on their I.D., \$35 for WCSD transportation to and from events, \$5 for the Impact Test (a baseline test for concussions); and \$10 Trainer fee. Students may also be required to participate in fundraisers for their particular team. Students who have difficulty paying required fees are encouraged to talk with the coach, the Athletic Director or Athletic Administrator to discuss alternatives and assistance.

ATHLETICS & SPORTSMANSHIP

Participation on athletic teams is determined through tryouts. Membership is a privilege, and athletes are expected to comply with all NIAA and WCSD rules, policies, and procedures. For specific information, see the Athletic Handbook and athletic clearance materials. Wooster students, staff, and parents are asked to conduct themselves in a sportsmanlike fashion at all athletic contests. Disciplinary consequences to include loss of privilege to participate or attend events may be applied if students as well as parents/guardians behave inappropriately. All school rules apply at athletic events, home and away.

ATTENDANCE POLICY & PROCEDURE 5113:

Parent/guardians must send a note or call the school regarding any absence within three days of the student returning to school. Calls or notes *in advance* are encouraged. Nevada Revised Statute 7³ 6.566 is the basis for the WCSD Attendance Policy and Procedure 5113. The policy in its entirety is on the WCSD website www.washoeschools.net. The WCSD Board of Trustees has established a policy requiring 90% attendance for promotion to the next grade or earning credit. The emphasis of the attendance policy is on the importance of keeping students in school and providing access to the curriculum.

90% ATTENDANCE LAW (NRS 392.122)

Students who miss more than 7 unexcused absent periods of a class will fail the class due to the 90% Attendance Law at Wooster High School.

Following are Unexcused Absences:

- Unverified (AUK) absences: Any absence that is not verified by a parent/guardian within three days after the student returns to school counts against the 90% rule.
- Confirmed Truancies (CT): A confirmed truancy is recorded when the student, school, or parent confirms the student should have been in school but was not.
- Medical Absences: This absence provides that a parent has provided a note that the student was ill and is unexcused. An note from a health care provider is excused.
- Domestic (DOM) absences: A Domestic absence is any absence for family related business reasons that are not Emergency Family Business.
- Note /Call after 3 Unexcused (NCU): When a parent note or phone call is received after the 3-day deadline, the absence is unexcused but the fact that the note/call was received is recorded. This absence will count against the student's retention.
- RUNAWAY (RWY) : If a student is confirmed as a runaway, the student is withdrawn on the 11th day because the whereabouts of the student is not known.
- Absences Prior to Triggering Failure (APT): Absences for any reason the parent /guardian approves (7 for Earl Wooster High School). A phone call or note within 3 days of the absence for the absence to be excused:
 - If make-up work is completed within the timeline. (Number of days absent plus one). The attendance will be coded Temporary Educational Placement (TEP) and it will not count as part of the eight, and will not count against the student's retention or failure .

Absences that do not count against the 90% attendance rule, but will count toward Chronic Absenteeism unless the make-up work is completed and returned. Students must miss 10% or more of school days to be labeled Chronically Absent. A note or phone call must be received from the parent/guardian by the office within 3 days of the initial absence for the following codes to be used for an absence:

EMD –Medical Professional Excused Absence; for a student to be excused for being sick, a health care professional note must be provided.

RH – Religious Holiday

FCA – Foster Care Absence; Absence related to being in foster care

SUS – Out of School Suspension (Does not require a parent note)

HDE – Health Department Excluded Medical used in school wide out-breaks declared by the Health Department.

CIT – Child in Transition Absence; Absences related to homelessness.

EFB – Emergency Family Business limited to severe family based emergencies such as death of a human family member.

School Activity (SCH): An activity sponsored by the school or school district.

TEMPORARY EDUCATIONAL PLACEMENT (TEP)

- This code is used when a student cannot physically attend school due to circumstances beyond the student's control, and the student desires to keep up with his/her class and will be returning to the brick and mortar class in a defined period of time. This code may also be used when a student is awaiting placement in the Home Hospital program (in these cases the TEP Homework Log would need to be completed).
- * Student is absent but make-up work is returned to the teacher within the timeline (number of days absent plus one, starting the day the work was provided by the teacher. TEP in the gradebook comments for that assignment for audit purposes.

MAKE-UP WORK

Students will be provided with the opportunity to request and complete assignments, exams and quizzes that are missed due to a student's absence or for periods of missed instruction for any reason. Activities that are participatory and contributive in nature may be difficult to make up and alternative tasks may be provided for such work. Failure to request or return completed make-up work and missing work that cannot be made up will result in a grade reduction for the missed work and the absence will remain unexcused.

Student's responsibility to attend class all day, every day. A student must request make-up work from the teacher on the day the student returns from an absence. Students have the number of days absent plus one beginning the day that the teacher provided the make-up work to complete and return the make-up work to the teacher.

ATTENDANCE—EARNING A DRIVER'S LICENSE:

The Department of Motor Vehicles requires a Certification of Attendance (Form DMV-301) be filled out by the school to verify students under the age of 18 years old are meeting the Nevada school attendance requirements. Students can have this form filled out by their grade-level attendance clerk. If the student is not meeting the school's attendance requirements they can work to set up an attendance contract with the school earn the verification. In addition, this form can also be used by the schools to suspend a student's instruction permit or driver's license or deny future privileges if the student is declared a habitual truant.

Parent/Guardian's responsibility to assure the student attends school every day. Parents must communicate in written or verbal manner each day the student is absent to acknowledge the student's whereabouts and ensure their safety. Monitor Infinite Campus to make sure attendance is accurate and to make sure make-up work is completed and returned to the school. Communicating regularly with the school and attending conferences related to student well-being and success is important in ensuring student success.

PRE-ARRANGED ABSENCES

Pre-arranged absences must be requested at least 2 school days in advance of the absence and should be requested earlier than 2 days in advance if the absence is for an extended period of time. The attendance administrator will need to meet with a parent/guardian prior to approving a request for an extended pre-arranged absence. Students leaving the country will need to provide additional documentation: eg. copy of the flight itinerary.

Teacher's responsibility to take daily attendance, record student assignments to include the date assignment was made /returned. To provide make-up work within 2 days of the student's return to class , regardless of the reason for the absence/missed instruction to the student upon the student's request.

ATTENDANCE AND THE WOOSTER HIGH SCHOOL TARDY POLICY:

Timeliness is held in high regard as it is everyone's responsibility to contribute so learning environments are uninterrupted. Students who are late to class with a pass from another teacher, counselor, etc., are marked as EMI (Excused Missed Instruction) by the teacher. Students more than 2 minutes late to class will report to the Student Services Office [SSO] or to the nearest SWIPE machine to receive a pass and are marked as UMI (Unexcused Missed Instruction). Excessive UMI's are treated as insubordination and the following procedure occurs:

The number of accumulated tardies will lead to a progressive discipline plan which is reset at the end of each quarter. After five tardies, the student will receive a "Round 1" consequence. This means a student who is tardy to five different classes in one day will receive a "Round 1" consequence. After seven tardies the student is assigned a "Round 2" consequence. After 8 tardies the student is assigned to a "Round 3" consequence. After 12 tardies the student is assigned to a "Round 4" consequence. After 14 tardies the student is assigned to a "Round 5" consequence.

Below are listed the consequences for each "Round":

- Round 1 Consequence: 20 Minute Lunch Detention
- Round 2 Consequence: Afterschool Beautification
- Round 3 Consequence: Saturday School

CANINE SNIFFS

In an effort to be proactive in the fight against drugs, the Washoe County School District Administrative regulations allow for random canine sniffs for school hallways, lockers, classrooms, buildings, parking lots and other school property through the use of a canine unit. The canine unit consists of a qualified handler and a dog specially trained to detect illegal or prohibited substances, weapons, or bombs. Any vehicle that is positively identified by the canine sniff will provide reasonable suspicion for administration and probably cause by school police to conduct a search of the vehicle.

CELL PHONES & OTHER ELECTRONIC DEVICES (ADMIN REG. 5810)

The District is proud to be a 21st century district, and we promote responsible and thoughtful use of personal electronic devices to support student achievement. Electronic devices can be disruptive and interfere with student learning, including the learning of those that are not in possession of such devices. Electronic devices should not interfere with the instructional process. **Teachers and administrators reserve the right to confiscate a student's electronic device if it is interfering with curriculum/instruction.** Students may possess or use electronic devices, provided that the use of such devices does not interfere with the instructional process. Electronic devices shall not be brought into classrooms during assessments, semester exams, or other testing situations.

DISCIPLINE

As members of the Wooster community, students and staff members are expected to behave in ways that are respectful, positive, and that contribute to a safe and productive learning environment. Disciplinary consequences may result for students who choose not to adhere to school expectations. A progressive discipline approach will be used, and consequences may include those listed below, depending upon the severity of the behavior. Generally, the consequences will build from lunch detention to out-of-school suspension for students whose behavior does not improve.

- **Lunch Detention** will be assigned for 20 minutes for lower-level infractions. Parents will be notified upon the third lunch detention where a 35 minute detention will be assigned.
- **Afterschool School Detention/School Beautification** will be assigned from 3:00-3:45 following the 3rd lunch detention in one quarter or for more significant infractions. This may include tutoring, campus beautification or community service. Parents will be notified when afterschool detention is assigned.
- **Saturday School** - Parents will be notified when assigned. This may include tutoring, campus beautification or community service.
- **In-School Suspension** will be assigned to students whose behavior does not improve or for more significant infractions. Parents will be notified when an in-school suspension is assigned.
- **Out-of-School Suspension** may be assigned for more serious infractions as determined by the WCSD Behavior Matrix or administrator discretion.

During lunch detention, after-school detention/school beautification, or in school suspension, students must work on school work and/or activities related to improved behavior. Students may not listen to music, sleep, or engage in conversation with other students. Wooster High School rules and WCSD policies must also be adhered to. Students may be assigned additional consequences or out-of-school suspension. Habitual or serious offenders may be subject to arrest.

DISTRICT LIABILITY

All students are responsible for any instruments, books, equipment or other items that they have on campus, whether they are owned by the student or have been entrusted to the student by the District or others. Please be aware that Wooster High School and the Washoe County School District is not an agent for any student and is not responsible for any loss, theft, or damage to any such items whether in the student's possession or stored/left on campus or other school property. Students are encouraged to leave valuables at home, and to report loss, theft, or damage to the SSO office and school police.

DRESS CODE

Wooster HS enforces the WCSD Dress Code. The United States Supreme court rendered a decision in 2000 that school administrators can establish policies prohibiting conduct which materially and substantially interferes with the educational process. This includes, but is not limited to, inappropriate clothing or attire. The Court noted that it is a highly appropriate function of public school education to prohibit offensive language or clothing in public discourse. The First Amendment does not prevent schools from establishing guidelines to prevent the undermining of their basic educational mission. The primary responsibility for dress and groom rests with our students and their parents and/or legal guardians. However, the District does reserve the right to establish a comprehensive dress code with limitations for students which addresses what clothing they may wear and how they may wear that clothing. School authorities have the professional responsibility and legal sanction to enforce student dress requirements, and within this authority, the right to request that students change their attire to conform to the WCSD Dress Code. The following requirements are not intended to silence expressive conduct, but instead, constitute an attempt to maintain a productive, safe, learning environment. As specified in WCSD procedures, ““The dress or grooming of all students must not present potential health or safety problems or create a disruption of the learning environment. Specific prohibitions or limitations include, but are not limited to, the following. Exceptions shall be considered for religious or medical reasons; or with the permission of the principal (i.e. a designated school spirit day).” Specific prohibitions or limitations include, but are not limited to, the following:

DRESS CODE CONSEQUENCES

If a student violates the dress code, he/she will be given a warning by school staff. School staff will notify school administrators with the student's name. School administrators will notify parent/legal guardian of the warning. The student must correct the clothing violation at that time, prior to returning to his/her class schedule. Refusal to change clothes will constitute insubordination and the following sequential and a progressive discipline plan will be followed:

- **First Offense**
 - * Parent notified;
 - * Student must change clothing violation;
 - * Student warned of consequences for second violation; and
 - * Consequence/conference entered in student discipline documentation.

CLOTHING/PERSONAL PROPERTY/ATHLETIC EQUIPMENT

All clothing and personal property brought to school may be subject to search by school officials. Clothing, backpacks, and other personal and school property, including lockers, must not have any words or pictures that promote illegal activity, including underage drinking, illegal drug use, domestic abuse, gang membership, battery, assault, or any other civil or criminal conduct which would violate state or federal law. School administrators have the right and responsibility to ensure a safe campus community that is free of distractions and may use appropriate discretion when deciding whether or not clothing or items are appropriate for school. Students who violate rules and/or refuse to cooperate with staff concerning dressing appropriately or concerning the removal or confiscation of personal property will face disciplinary and/or legal consequences. Athletic equipment must be stored during the school day and not carried in a backpack or on a person during class or passing periods. Baseball/softball bats, golf clubs, lacrosse sticks, etc., should be stored in the locker room, team room, in a coach's classroom or other secure place. Please contact SSO if you have any questions.

EMERGENCY PROCEDURES

During the school year Wooster will conduct various safety drills on a monthly basis, including fire drills, lockdown drills (Code Red and Code Yellow), and earthquake drills. Students are expected to adhere to staff directions and treat every drill as though it were an actual emergency. School staff will communicate information on emergency procedures to parents/guardians via newsletters, the Wooster High School website, Connect-Ed, and other methods as appropriate.

EXTRA CURRICULAR & CO-CURRICULAR ACTIVITIES

Students attending any activity sponsored by, or taking place at, Wooster High School are subject to Washoe County School District and Wooster High School rules and regulations. In order to participate in a school sponsored activity a student must have attended the majority of periods during that school day. Extenuating circumstances will be reviewed by the administration. Students participating in extra-curricular and co-curricular activities must meet school and district guidelines for behavior, attendance and grades. Some activities mandate student attendance during off school or weekend hours. Students may be subject to removal or suspension from a team or group activity based on advisor or coach mandates and/or group constitution.

FIGHTING

Fighting will not be tolerated on any campus. Students who fight will be subject to progressive discipline mandated by district and school guidelines. Fights between two or more individuals will be treated as mutual combat, resulting in immediate suspension from school. Any altercation, which is perceived as, or is a result of any type of group or gang affiliation, will be treated in an elevated manner and extra penalties shall be imposed. A second offense, which is linked in any way to a group or gang affiliation, may result in removal from Wooster High School and/or traditional educational sites in the WCSD.

Consequences for fighting may result in any of the following disciplinary actions: short or long term suspensions, and/or attendance at the Washoe County School District's Violence Intervention Prevention Program. If a student does not complete the VIP program he/she will be assigned to in-house or out-of-school suspension for up to 7 days to complete the suspension.

Respect is one of the core values at Wooster High School. Students should not incite or instigate a fight, 'egg others on to fight', film fights, or post footage of fights on social media. Students who do so are subject to disciplinary action up to, and including, suspension from school just as if they participated in the fight.

GRADING AND REPORT CARDS

Reports notifying parents/guardians of their student's progress in school are issued quarterly to each student. The responsibility for determining the grade rests with the classroom teacher. Any student wishing to contest a grade must do so within three weeks of the semester or quarter grade being posted. Grades are final after the third week of the following semester.

GRADES

The basic grading system, grades 9-12, will incorporate the letter designation: A B C D F and INC. For the purpose of computing grade point average, the letter grades will be transposed to the standard 4.0 scale; A = 4.0; B = 3.0; C = 2.0; D = 1.0; F=0. The grades S and U may be used in special classes and will not be included in the computation of the grade point average.

Additionally, students in grades 9 and 10 will receive a separate, MYP grade on their report card. This MYP grade will assign a value for each class based on four rubrics. The score on the MYP report card is a way for students, parents, and teachers to track the progress towards certain skills in the subject group and is not intended or designed to be converted to a letter grade.

GRAFFITI

Graffiti is vandalism and will be treated as a crime. Any student who engages in graffiti or vandalizes school or personal property may incur legal and financial as well as disciplinary consequences. Students suspected of vandalism will be subject to a search of personal items and locker. Any property suspected of being utilized in committing the crime will be confiscated. Students may not carry paint markers, marking pens, Sharpies, and/or any postal items used as 'slap tags' to school as they are considered by statute to be graffiti material; such items are confiscated.

Typical purposes for homework are practice, preparation, check for understanding, and development of work habits. The annual student body activity fee is \$25.00 and does not reduce in price during the second semester. This money is used to finance student activities. Student ID cards will be marked to enable students to belong to school organizations, run for and hold student offices, participate in athletics, attend home athletic events free of charge, and attend most school activities at a reduced rate. This fee must be paid by all students involved in extra-curricular activities or who represent our school athletically or in any other capacity including band, R.O.T.C., and Student Leadership. (See Student Identification Card)

STUDENT IDENTIFICATION CARDS

All students will be issued an identification card once school photos have been taken. It is mandatory that the student's I.D. card be in his/her possession at all times while on the school grounds or at school activities. Students who are not carrying their ID will be subject to disciplinary consequences. Students are never to give their ID to another student to use. Replacement ID cards cost \$3.00. Students are expected to show their ID card if/when:

- Requested to do so by any school staff member or school's police officer.
- They have off campus privileges.
- When they're in a testing environment.
- They will be admitted to any school dances and/or activities.
- Checking out books in the library and when using the internet.

TEXTBOOKS AND TEXTBOOK DEPOSITS

Each student is required to pay a \$20.00 book deposit upon enrollment. This deposit is refundable upon graduation or upon withdrawal from school, providing there are no outstanding charges resulting from lost or damaged textbooks or other instructional materials, lab fees or sports fees. If a textbook is issued to the student directly, the student is responsible for the return of the text.

VIDEOTAPING OF STUDENTS & ADULTS (NRS 393.400)

Creating videos or taking pictures of students and adults on school property secretly without their approval through the use of cell phones or other electronic devices is against the law. Students who engage in this behavior will face disciplinary action. Utilizing text, email, or social media distribute the videos or photos is also prohibited and will increase disciplinary consequences.

NRS 393.400 Surreptitious electronic surveillance prohibited;

1. Except as otherwise provided in subsection 2, it is unlawful for a person to engage in any kind of surreptitious electronic surveillance on any property of a public school without the knowledge of the person being observed.
2. Subsection 1 does not apply to any electronic surveillance:
 - a) Authorized by a court order issued to a public officer, based upon a showing of probable cause to believe that criminal activity is occurring on the property of the public school under surveillance;
 - b) By a law enforcement agency pursuant to a criminal investigation;
 - c) Which is necessary as part of a system of security used to protect and ensure the safety of persons on the property of the public school;
 - d) Of a class or laboratory when authorized by the teacher of the class or laboratory.

VISITOR PASSES

Adult visitors must report to the office with valid ID to be approved by administration and obtain a visitor pass. Student visitors are not permitted unless cleared through the office in advance.

HALL PASS PRIVILEGE

The following hall pass pages are used only as a tracking mechanism in order to reduce missed instruction. Wooster High School administration supports each individual teachers' hall pass policy.

Hall Pass pages do not guarantee a pass privilege for classes. Teachers have developed their individual hall pass policies – refer to each class syllabus for hall pass policies and procedures.

- All students in the halls or common areas of the school during class time must have his/her planner in their possession.
- Students must show their planner hall pass to any Wooster staff member when asked.
- Hall passes will not be issued the last ten minutes of class except in an emergency.
- Students found in the halls without his/her planner will be immediately escorted to their class by Wooster staff.
- Students who are found to repeatedly violate the hall pass policy will be placed on the No Hall Pass List by administration.
