What is your favorite holiday and why?

Math Lessons for 5/13

Again, for phase 3 the district has created lessons for specific 4th year math classes online only (Pre-Calc, Prob/Stats/Discrete, Pre-College Math). Teachers if you have students who don't have online access to the assignments and they are in one of the 4th year math classes instruct them to do the Algebra 2 assignments or have them contact their math teacher via email.

Regardless of the subject all students are on lesson #16 (if students are utilizing the electronic forms only, they just need to click on the assignment listed under lesson #16 for their current class in the Mathematics Distance Learning file that everyone should have posted on Teams, but if they are working from the paper packet I have also included the page numbers that correspond with the daily assignment). The assignments are as follows:

Algebra 1 - Lesson 16 (paper packet page 21)

Geometry - Lesson 16 (paper packet page 31-32)

Algebra 2 - Lesson 16 (paper packet page 46-47)

Pre-Calc - Lesson 16 (online access only)

Prob/Stats - Lesson 16 (online access only)

Pre-College - Lesson 16 (online access only)

Here is the link to the the phase 3 Math Distance Learning file in case you or your students need it:

 [Math Distance Learning Answer Keys](#)

Some teachers have asked about posting the math keys for their students to check their work, and I don't really have a problem with it, but I would probably post each days answers either at the end of the day or the next day if that is something that you wanted to do.

PE Lesson 5/13

Students need to be active for 30 minutes and log their activity. Suggestions: go for a walk, jog, run, bike ride, or hike.

Here is the link for the PE activity log:

English Lesson

Daily Reading: <https://www.theplayertribune.com/en-us/articles/mohamed-bamba-college-announcement>

Daily Writing: 1-2 Pages—either hard copy journal or submitted via Teams

In “Ready to Rock,” Mohamed Bamba discusses a popular strategy used to prioritize tasks for making his college decision. Using his piece as a model, write a piece that explains who and what has helped you be successful this year. Who and what are your big rocks, stones, and pebbles and sand and why?
