

Wooster Colts 5-3-20 Daily Announcements

Announcements

Social Media (this section is permanent every day for rest of the SY)

Just a reminder, Colts!

For updates regarding all things Wooster, be sure to visit/follow:

- Website: www.woostercolts.com (our official calendar is housed here!)
- Facebook: www.facebook.com/woosterhighschool
- Instagram: WoosterColts
- Twitter: @WoosterColts
- YouTube: www.youtube.com/earlwoosterhighschool

And be sure to get updates at the district and state websites:

- www.washoeschools.net
- www.doe.nv.gov/

AP Students (Include this announcement through Friday May 1st)

AP Students: please log in to your MY AP account ASAP to indicate the college, university, or scholarship organization that you want to send your ONE free score report to for your AP exam. You have until JUNE 20 to use your free score report to send the scores online. If you need to order additional score reports after the exam results are released, you may do so. However, the cost is \$15. per report after this time. If you are a senior entering college in the Fall, please check your college's deadline for getting the AP scores as many colleges have a mid-July deadline. More information can be found by going to AP's website: <https://apstudents.collegeboard.org/sending-scores>

Yearbooks (please insert this announcement for the rest of the SY)

Buy the WHS Pegasus 2019-20 Yearbook for \$85! This will be a historical yearbook and it will cover ALL events from the year including a complete Spring Sports section. It's a great book and you don't want to miss out! [Watch this promotional video](#)

Purchase Wooster's 2019-20 Pegasus yearbook here: www.yearbookforever.com

SEL Question of the Day

What is the coolest app for your phone that adults may not know about and why do you think it's so cool?

Science

The link to PHASE 2 of the District science lessons [is HERE!](#)

Biology, Physical Science and Chemistry Lesson #12 are in the district lessons above. The lessons build on each other, so be aware that the links may look repetitive.

Environmental Science and Anatomy will do the Biology lessons above

Astronomy and H. Physics should work on the Physical Science lessons above

Any student studying for the AP exams should check with their teacher for study materials

Note to teachers-Please feel free to use these Physical Science II , Biology Phase II and Chemistry Phase II answer keys and feedback guides. These links are updated to take you to the correct documents.

Some of the **BIOLOGY** assignments include *SIMULATED* or *IMAGINARY* experiments, where as **PHYSICAL SCIENCE** students should conduct the simple activities with common household items

Social Studies

All levels (9th-12th) will complete the attached graph analysis. Below are your cut & paste instructions.

Use the following graphs to help you complete the attached worksheet. First, spend time analyzing the graphs and making annotations about what you observe. On the worksheet, record the annotations and details that you noticed about each of the graphs. Then develop a claim sentence that includes ideas from at least three of the graphs. List the evidence from these graphs that supports your claim. Create a title for the set.

World Language

Consult the attachment and follow the instructions. Pick a different assignment to complete each day during your World Language class (ONLY B DAYS). Not all assignments will be completed. There are 12 options you will only need to complete 8. Have fun.

NOTE: If an asterisk (*) is next to the title of the activity, a device and/or internet is required to complete the task.

AP Spanish Exam students, PLEASE check your AP Spanish channel on TEAMS. Mrs. Lebalch, Ms. Sosa & Mr. Real have provided practice study materials for the AP exam.

Electives

Each elective course (Theatre, Ceramics, Art and Music) has a wide range of assignments available. Choose one assignment from one course and explore your creativity!
