Yearbooks (*this section is permanent every day for rest of the SY*)

Buy the WHS Pegasus 2019-20 Yearbook for \$85. This will be a historic yearbook and covers ALL events from the year including a complete spring sports section. It's a great book and you don't want to miss out. Simply go to www.yearbookforever.com and place your order there.

Senior Survey (*this section is permanent every day for rest of the SY*)

Graduating Seniors: Please fill out this Senior Survey for the Class of 2020. Wooster wants to know the plans that you all have once you finish school.

The information is helpful to your Wooster team.

SEL Question of the Day:

Do you think aliens exist? Why or why not?

Math Lessons for 5/5

Happy Cinco de Mayo!!!!!!!!!!!!!!

For phase 2 the district has included lessons for specific 4th year math classes online only (Pre-Calc, Prob/Stats/Discrete, Pre-College Math). Teachers if you have students who don't have online access to the assignments and they are in one of the 4th year math classes instruct them to do the Algebra 2 assignments or have them contact their math teacher via email.

Regardless of the subject all students are on lesson #13 (if students are utilizing the electronic forms only, they just need to click on the assignment listed under lesson #13 for their current class in the Mathematics Distance Learning file that everyone should have posted on Teams, but if they are working from the paper packet I have also included the page numbers that correspond with the daily assignment). The assignments are as follows:

Algebra 1 - Lesson 13 (paper packet page 25-27)

Geometry - Lesson 13 (paper packet page 40-42)

Algebra 2 - Lesson 13 (paper packet page 49-51)

Pre-Calc - Lesson 13 (online access only)

Prob/Stats - Lesson 13 (online access only)

Pre-College - Lesson 13 (online access only)

AP Calc BC and **AP Prob/Stats** are providing their own assignments, so students need to reach out to Mr. Flores and Ms. Chandler for their AP Enrichment lessons.

Here is the link to the the phase 2 Math Distance Learning file in case you or your students need it:

Students can access online textbooks through the following links -

Algebra 1 and 2 - <https://www.washoeschools.net/Domain/684>

Geometry - <https://www.washoeschools.net/Domain/1435>

Online graphing calculator - <https://www.desmos.com/calculator>

Online scientific calculator - <https://www.desmos.com/scientific>

Online Matrix Calculator - <https://www.desmos.com/matrix>

Another online calculator with several options - <https://www.meta-calculator.com/>

Teachers, all answer keys have been uploaded to the staff shared drive and we are working on adding worked out solutions. Here is the link -

Some teachers have asked about posting the math keys for their students to check their work, and I don't really have a problem with it, but I would probably post each days answers either at the end of the day or the next day if that is something that you wanted to do.

PE Lesson 5/5

Students need to be active for 30 minutes and log their activity. Suggestions: go for a walk, jog, run, bike ride, or hike.

Here is the link for the PE activity log:

English Lesson

Daily Reading: 30 mins from Book of Choice

Daily Writing: 1-2 Pages

Joy Harjo's poetry belongs to the "Spoken Word" category, which is a type of poem intended for performance. Spoken word encompasses elements of rap, hip-hop, storytelling, theater, and jazz, rock, blues, and folk music. It is characterized by rhyme, repetition, improvisation, and word play. How would/could you use spoken word to create an adaptation of the book you are reading now (or one you read earlier this year)?

Either discuss how your book could be adapted as Spoken Word or create a Spoken Word Poem based on your book. You could also consider writing a Spoken Word poem from the perspective of a character in your book.
