## May 7-May 18

May is National Mental Health Awareness Month- throughout this month people all over the US strive to raise awareness about mental illness and related issues. Attitudes towards mental health ~~issues~~ appear to be changing and we wish to continue this change by engaging in a Mental Health Awareness week here at Wooster, May 28<sup>th</sup> to June 1<sup>st</sup>. To start off the Month, we would like to invite students and teachers to visit B5 during their free time to fill out a helping hand. These helping hands promote positive thinking and positive peer support. You can decorate the hand however you would like and the positivity will be placed around Wooster throughout the Month of May. The hands are free to decorate, but the SSPs in B5 will also be collecting donations for the Eddy House. The Eddy House is a drop in center that provides services and resources for at-risk homeless youth. For every dollar you donate your name will be placed in a raffle for a Kindness mug! Decorated by a local artist, these mugs promote kindness and all proceeds from the mug go straight to the Eddy House. Our SSP's, Miss Haley and Miss Claire, hope to see you in B5 this month!
