Mission: To support academics, athletics and arts for all students in the Wooster community.

Wooster AAA Boosters meets the second Monday of every month from 5:30 to 6:30 pm in the career center. Join us for meetings, it is free to all family members and make our Wooster community stronger by participating. Booster Meetings are fun and informative. They allow you access to school administrators and information that parents need to know. Engaged parents = successful students.
