

## Interview with our Student of the Month:

August 2024

By Jazmine Echeverria-Fullmer

4 November, 2024

Student of the month, also known as SOTM, highlights and outst the students who have shown dedication, hard work, knowledge, balance and open-mindedness not just to teachers but throughout the school community.

Ray Barba is a senior who is here to focus on his schoolwork and to get his priorities straight. He wants to continue school because he has seen so many other people in his words "give up on school and life."

Ray was nominated because he showed the Wooster Colt learner profile traits of being open-minded and balanced. Although Ray may respond with "No," he doesn't deserve the award, his teachers have thought otherwise.

Wooster High School is proud to celebrate our August Student of the Month!

Ray Barba's worthwhile attitude and dedication has caught the attention of teachers and he well deserves to be nominated.

Congratulations to Ray on his fantastic commitment.
