

Have an

EPIC

Saturday

COLLEGE OF
ENGINEERING
Making a world of difference.sm

Come to the University of Nevada, Reno campus to learn how exciting engineering is!

WHO

Are you a parent of a student interested in STEM? Are you a scout leader looking for STEM learning opportunities? Do your children belong to a science or math student club? Are you a homeschool parent looking for supplemental activities?

WHEN

Saturdays, from 9 am - 11 am. Our EPIC lab can accommodate groups of up to 20 students. Contact us for special arrangements.

WHERE

The University of Nevada, Reno, William N. Pennington Engineering Building

WHAT

The EPIC Lab provides exciting hands-on lessons in various engineering topics, designed for students in 6th through 8th grade. Students can expect to learn about one discipline of engineering and participate in two-three interactive learning opportunities. Lesson topics change every three to six months.
