

ASWHS Leadership 2020-2021

What Is Leadership?

Leadership is a great way to be a part of the school community and to be more involved.

Leadership allows a person to express themselves artistically. We are always in need of people who are good with graphics because we design shirt logos. We also decorate the halls for every event. If you can draw and have many ideas we need you!!

Leadership is also in charge of planning school events such as: Homecoming, Winterfest, assemblies, street painting, all spirit weeks, and many other school events.

Leadership Events

Street Painting

State Conference in Las Vegas!!

Leadership Events

Winterfest

Homecoming

Important!

This is a HUGE time commitment. During spirit weeks specifically, you will need to be able to dedicate between 15-20 additional non-school hours. *Additionally, being in the Leadership Class means that you are attending almost EVERY school sponsored event/sport/performance and donating time to community service.* Adjustments can be made for student-athletes, clubs, jobs, etc., but Leadership cannot be put last! All time missed must be made up.

This is an after school class that will run from 2:30-3:30 every school day except Wednesdays.

We hope you all have an interest in joining Leadership. Joining Leadership requires an application. Attached in the next slide is the application. Please fill out this application and send it to Ms. Snell (stephanie.snell@washoeschools.net) no later than Friday May 29th in order to be considered a part of ASWHS Leadership!
