

Dining Night Fundraisers!

Many local restaurants are willing to host dining nights, with a portion of sales going back to Wooster.

All it takes is your team/club sharing the information with family and friends, going to eat at the restaurant on the date and time listed, and a percentage of your bill goes right back to Wooster Students!

We've had successful dining nights with MOD Pizza, Raising Cane's, Panda Express, BJ's Brewery, Jersey Mike's, Chipotle, and more!

If your team or club would like to set up a dining night to raise funds, please email the Boosters at: wooster.aaa.boosters@gmail.com and provide the following information:

- Name of Team/Club
- Name of Team/Club Contact – Including Phone Number and Email
- 3 Different Dates that would work for your dining night
- Restaurant of Choice (If you would like available options, please let us know!)

*Restaurant availability ebbs and flows with different seasons, restaurant staffing, etc. We will work together to find a restaurant and date that works for you!
